

Let My Heart Overflow

Katie Reed

E / / / A / / / E / / / A / / /

Like a garden enclosed am I, like a spring shut up
Like a fountain sealed am I

There's so much inside of me
There's so much inside, I'm in need

Let my heart overflow, let my heart overflow
Let my heart overflow, let my heart overflow

And I know that I am dark, like the tents of Kedar
But could it be that You see in me

I'm like the curtains of Solomon, the curtains of Solomon
I'm like the curtains of Solomon

You are fairer than the sons of man
And grace is poured upon Your lips

And I love the way that You do love me
And the movements of Your heart towards me

Oh Lily, Your lips are dripping with myrrh
Grace surrounds You, Your mouth is most sweet

And I, I wanna waste my life on You
And I, I wanna waste my time on You
